

Stratford, CT - The WGA Caddie Scholarship Fund hosted it's 35th Annual Alumni Outing on Tuesday, September 15th. Alumni, guests and friends gathered for lunch, a round of golf and dinner at Oronoque Country Club. The event, organized annually by Ed Doyle, Caddie Scholarship Recipient and CSF Board Member, is a chance to bring together old friends and to recognize the support of the Caddie Scholarship Fund. A friendly modified stableford team competition was put together for the round of golf and prizes were awarded. The winning team was Kevin Dwyer, Daniel LoParco, Jr., Daniel Loparco, Sr. and Blake Kerrick. Thank you to all of the alums who participated in this year's event.

The WGA Caddie Scholarship Fund awards scholarships annually to individuals who work in the service of golf at one of our 80 member clubs. In the 2009/10 school year, close to 270 students will be attending college with the support of a caddie scholarship. This represents a four year tuition commitment of more than \$3.6 million. CSF scholarships are only made possible through the continued support and dedication of our club members, alumni and friends.
