Many people participate every year – you know who you are and we thank you.
WGA OPEN	Won by Ben Hogan in 1940 while serving as a Golf Professional at Century CC, the Open is a Westchester tradition and our most popular event. PRO AM TEAM CHAMPIONSHIP	This is a chance for three amateurs from the same facility to play with their favorite club pro. There is a pro purse, but the bigger prize is that the team plays for their names on a trophy dating back to 1952.
